Thanks to the following Potomac Region members who participated in the 12th Annual National Memorial Day Parade in Washington, DC: Pete Sanders (1935 Ford convertible), Byron & Alida Alsop (1936 Cadillac Series 85 V-12 convertible sedan), Harry Scott (1937 Cadillac Series 75 convertible sedan), Daniel Jobe (unable to attend but sent his 1946 Cadillac Series 62 convertible) and Randy Denchfield (1976 Cadillac Eldorado convertible).

Congratulations to the members who won awards at the 2016 AACA Eastern Spring Meet in Vineland, New Jersey. The list includes Randy Denchfield who won a 1st Senior Award in Class 19C for his 1935 LaSalle 50 Convertible R/S and Jerry Gordon who won a Repeat Preservation in Class 27D for his 1961 Cadillac Sedan DeVille. Franklin Gage received a driver participation award for one of his Chevs.

The 2016 Grand National is over! But one of the largest GNs ever is fast approaching. Ronnie Hux, Meet Chairman, reports that the Potomac Region and Valley Forge Regions are making progress daily to finalize all of the exciting plans for the 2017 GN at the Hilton Hotel in Tyson's Corner. The room block will be released Sunday July 31. The rates are \$129.00 and a few upgraded rooms are \$149.00. There is NO backup hotel and we are expecting a total sell out. Do not hesitate to call and reserve your room. The code number and other information will be included in the August issue of the newsletter.

This is one GN that you do not want to miss. Over 400 Cadillacs and LaSallees are expected and there will be so much to see and do. This is a five-star hotel that is awesome. See you there!

ACTIVITIES REPORT: The following activities were discussed:

1. Recent Events:

- **Annual Spring Car Show & Automobilia Auction, Capitol Cadillac, Greenbelt, MD, Sun, May 1.** 31 cars were in attendance at our show. Thanks to all who volunteered to help with the show, it went very smoothly, despite the rain. The silent auction, in lieu of a live auctioneer, netted \$271. This was the first time that the club had tried this auction method. Thanks to Randy & Susan Denchfield who sold 50/50 tickets. The club's proceeds were \$350.

DJ Mike Veilleux kept the attendees informed with announcements and entertaining music as always. **Red, Hot & Blue** continued their good service as our lunch vendor and Mary Moscati brought and managed the breakfast items. Thanks also to everyone who attended with a vehicle, donated items to the auction, or submitted photographs. Special thanks to Daniel Jobe and Capitol Cadillac for their continued support. A full report, including list of winners, will be published in the June newsletter.

2. Upcoming PR Events:

- **Annual Picnic.** Dan & JoJo Ruby will host the club's annual picnic at their home in Owings, Maryland on Saturday, August 20th. The picnic will replace the August region meeting. Dan said that he will use a caterer for the food, except that club members may bring desserts. Everyone may bring their cars too; there is plenty of parking at Dan & JoJo's house. It is really important, though, that attendees provide Dan with an RSVP.
- **Annual Fall Show, Capitol Cadillac, Greenbelt, MD.** The date selected for the Fall Show is Sunday, October 23rd. The theme of the show will be the **75th Anniversary of the 1941 Cadillac**. In the coming months, appeals will be made to owners of 1941 Cadillacs throughout the Mid-Atlantic states to participate in the show.

3. Other Upcoming Events: The following events were mentioned:

- **City of Fairfax Antique Car Show, Fairfax, VA, Sat, May 21, 10:00 am–3:00 pm.**
- **43rd Annual Sully Plantation Father's Day Car Show, Chantilly, VA, Sun, Jun 19, 9:00 am–3:00 pm.** Scot will lead the judging efforts for cars in the Cadillac and LaSalle class. Please contact Scot if interested in assisting with the judging. Also note that in order to have a car judged at this show, it must be pre-registered. Download the registration form here: <http://www.gwcmodeleda.com/pdfs/Sully/2016/Sully2016Reg.pdf>

GRAND NATIONAL 2017:

- The GN material, e.g. information about meals, tours, activities, meetings, etc. needs to be submitted by October 15th for insertion into **The Self-Starter** January issue. This means that all of these things must be arranged by October even though the event does not start until July 31, 2017. So the next several months will be busy ones for planning the GN.
- Bill Anderson is considering hosting a judging school this June in Wilmington, Delaware. There is a nice hotel adjacent to I-95 along the Christiana River and easily accessible to everyone. The hotel is also only a few blocks from the Amtrak Station for anyone wanting to ride and not drive. More details to follow!
- Scot Minesinger will contact the Hilton to see if we can hold our Region's July meeting there on Saturday, July 30th to allow members an opportunity to become familiar with the host hotel. The hotel will begin accepting reservations that weekend so members may be able to book their rooms for the Grand National while at the hotel.
- Potomac Region member Mark Brodsky had patches made of the 2017 Grand National logo. They are available for purchase at \$6.50 (including shipping). Contact Scot Minesinger for more information. Sandy showed the patch at the meeting and Chris Overcash was wearing a shirt with one affixed to it.

Grand National 2017 Shirt Patches

Patch can be affixed to any t-shirt, sweat shirt, collared shirt, tank top or jacket. Buy them in 2016 and be ready for Grand National 2017!

An Allanté's Race to the AACA Museum

Hershey, PA (May 25, 2016) --- The Antique Automobile Club of America (AACA) Museum's newest donation, a 1993 Cadillac Allanté, comes with an interesting racing past. Lifetime AACA Member, Nick Ferrantino, donated the vehicle to the Museum and shared with us this Allanté's unique story.

This Allanté rolled off a 9,000 mile "production line" in March of 1992; a production line that began in Detroit, Michigan and continued to the world famous design firm, Pinninfarina of Turin, Italy. Once there, parts were combined with the Italian designed frame and body. With no engine or drive train, the Allanté was then transported in a specially designed Boeing 747 to the United States, where Cadillac added the first production 295 HP Northstar 4.6 V8 and drive train to complete the assembly. This Allanté is one of just eight built with matching options by Cadillac. Cadillac stopped producing Allantés all together in July of 1993.

June 2016

This Allanté went on to be one of thirty chosen to be a pace and festival car for the 76th Indy 500 race in 1992. The 100th anniversary of the Indy 500 is merely days away, making it very special to have a veteran of the race join our collection.

The Allanté's Northstar V8 made it possible for the vehicle to do 0- 60 in six seconds. The vehicle features stenciling indicating its Indy Pace car status and the driver, Al Unser Jr.'s (Lil' Al) name on the passenger side door and dash.

Lil' Al drove the Allanté in the opening and closing ceremonies of the race. Lil' Al would go on to win that race (not in the Allanté) by just .048 seconds.

Two weeks later, Lil' Al and his Allanté opened the parade at the Belle Island Raceway, Detroit Grand Prix XI parade.

If you are interested in learning more about Allanté production from 1987 to 1993, visit <http://www.allante.com> or <http://www.cadillacallanteclub.com>.

25TH ANNUAL CLC POTOMAC REGION SPRING CAR SHOW AND AUTOMOBILIA AUCTION STORY BY VINCE TALIANO

**PHOTOS BY LYNN GARDNER, RANDY EDISON, SANDY KEMPER, BOB NORRID,
JOSH PINHO, DAN RUBY AND VINCE TALIANO**

2016 is shaping up to be a historic weather year for the Potomac Region. First our participation in the Washington Auto Show was impacted by record snowfall, delaying the show's opening for a few days. Then, our 25th Annual Spring Car Show at Capitol Cadillac was marred by steady rainfall through the registration hours. However, despite the gloomy weather and wet pavement, 31 Cadillacs were on display, ranging from 1937 to 2005. The owners came from Maryland and Virginia to attend this milestone show. Thanks to Daniel Jobe, Lisa Diehl and the staff at Capitol Cadillac plus all the members who volunteered to help with the show including Christopher Cummings, Randy & Susan Denchfield, Randy Edison, Lynn Gardner, Franklin Gage, Bill Hilliard, Sandy Kemper, Jack McClow, Mary Moscati, Bob Norrid, Chuck & Debbie Piel, Josh Pinho, Dan Ruby, Richard Sills, Harry Scott, Christopher Winter and others. Special appreciation goes to the donors of items for the automobilia auction, including Bryce Frey, Debbie Taylor and others. In lieu of a live auction, a silent auction was held on the landing in the showroom (pictured above). The items netted \$271 for the club.

The customary playing of the National Anthem by DJ Mike Veilleux at 10:00 am signaled the beginning of the show. DJ Mike kept the attendees informed through the day with announcements and entertained with his mix of music.

Red, Hot & Blue from Laurel, MD continued to provide their delicious food. Randy & Susan Denchfield raised \$350 for the club by selling 50/50 tickets, and Lynn Gardner, Randy Edison, Sandy Kemper, Bob Norrid, Josh Pinho and Dan Ruby took a number of pictures (over 65 have been posted on the website).

Best Pre-War was awarded to Harry Scott, Nokesville, VA, for his 1937 Cadillac Series 75 Convertible Sedan (pictured middle right). When the Youth Judges' ballots were tabulated, the car won that award also. And last but not least, the car won Dealer's Choice as well! It was a fine showing for a car that has been painstakingly restored by Harry, who did most of the work himself, after an accident involving a deer years ago.

Harry's 1937 Cadillac, along with Dan Ruby's 1958 Cadillac Eldorado Biarritz, were the only cars at this year's show that were also shown at the 1st Annual Capitol Cadillac Spring Car Show in 1992. At that show, Harry's car was awarded 2nd Place in Class Cadillac: 1937-1942 while Dan's car (owned by his late dad Henry Ruby at the time) won 2nd Place in Class Cadillac: 1950-1958. Weather permitting, Juan Aranda planned to drive his 1947 Cadillac Series 60 Special, which was also at the first show and won an award (3rd Place in Class Cadillac: 1946-1949) to this spring's show. Also showing cars at both shows, albeit different cars, were Mark Brodsky and Randy Denchfield.

As the case with the previous shows, the best Post-War category was divided into an early period (1946-1964) and a late period (1965-present). 1964 seems the natural cut-off point for the early period as it represents the last year of the iconic Cadillac fins (except for the 1965 Series 75 Fleetwood which used the finned-body from 1964). The winner of the Best Post-War (Early) was Jim Beans, Annapolis, MD, for his 1947 Cadillac Series 62 Club Coupe (pictured bottom right). The car also received the Ladies' Choice Award.

Potomac Region

Caddie Chronicle

June 2016

The Best Post-War (Late) award recipient was Lynn Gardner, Annandale, VA, for his 1975 Cadillac Sedan Deville (pictured top left). The Jennifer Blue beauty was majestically displayed on the outside apron of the dealership.

The car selected as Best of Show – Overall was Dan Ruby's 1958 Cadillac Eldorado Biarritz (pictured middle left) from Owings, MD. Dan's car, which recently was serviced at Penn-Dutch Restoration Services in Glen Rock, PA, returned to Capitol Cadillac where it was first shown in 1992, ready to cruise the boulevards once again.

Also in attendance were two 1953 Cadillac Eldorados, both of which were Azure Blue (pictured bottom left). Of the 532 Eldorados produced in 1953, only 130 were that color. How many have survived? Thanks to Mark Brodsky and Jim Mitchell / Mike Jones for displaying their rare beauties.

At the end of the show, attendees were invited to attend the Fall Show at Capitol Cadillac, scheduled for Sunday, October 23rd. This year's theme will be the **75th Anniversary of the 1941 Cadillac**. The 1941 Cadillac continues to be the number one model year owned by members of the Cadillac & LaSalle Club, so a large turnout is expected.

Thanks again to Daniel Jobe and Capitol Cadillac for 25 years of wonderful spring car shows!
