## Gilded Cadillacs to fill Eldorado Extravaganza

The "Cadillac" of Cadillacs, the Eldorado, will be celebrated by the Potomac Region of the Cadillac-LaSalle Club (CLC) during its 2006 Fall Car Show. The Eldorado Extravaganza-themed event will be held at historic Capitol Cadillac in Greenbelt, Md., Oct. 22.

Cadillacs of all types will be welcomed at the event, but the stars of the show will be Eldorados built from 1953-'66. The club hopes to assemble

at least one example of each Eldorado built during the premium Cadillac model's rear-wheel-drive period. If the club succeeds, it will be the largest gathering of rear-wheel-drive Eldorados ever in the mid-Atlantic area.

In order to achieve its goal, representatives of the club notified every known Eldorado owner in the

mid-Atlantic and northeastern parts of the country of the event and invited them to show their cars. As a result, turnout is expected to be strong. Each registered owner will receive a commemorative dash plaque and other gifts for their participation. Participating Cadillacs will be judged,

and all Cadillac enthusiasts are welcome to view the cars on display.

The CLC Potomac Region was established in 1969 and has members in Maryland, Virginia and the District of Columbia, as well as in New Jersey and Pennsylvania.

Capitol Cadillac is a historic dealership that first opened its doors in Washington, D.C., in 1934. In 1979, it was moved to its present facility in Greenbelt, Md.

Look for the Potomac Region of the Cadillac LaSalle Club to gather the largest number of rear-wheel-drive Eldorados in one place during the club's 2006 Fall Car Show on Oct. 22. Brougham, Biarritz and Seville models, like the 1959 Seville pictured above, are expected to partake in the club's Eldorado Extravaganza.
